

CONSTITUTING AMERICA YEAR IN REVIEW

2017

We The Future Contest & Mentor Trip

This year, we selected 29 winners from 15 states! Our middle school to graduate school winners were awarded a fully paid for trip to California to meet with mentors in their fields (including executives at Disney Studios). These winners are having life changing experiences on the trips made possible by your support!

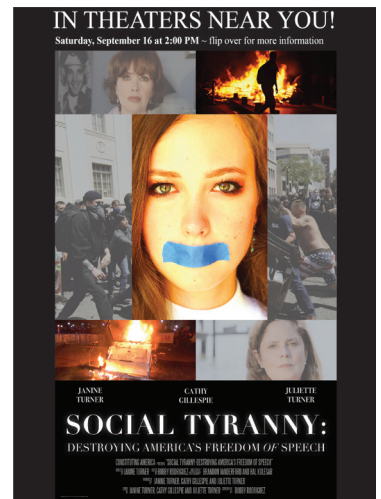

At Constituting America, we not only fund students' education with scholarships, but we propel their careers. You are helping to affect the culture! The culture is where the influence lies. We are inspiring America's next generation of Constitutional Champions!

"Social Tyranny: Destroying America's Freedom of Speech"

This Constitution Day we released our very own documentary, featuring professors from Yale, Princeton, and Rice. It explores the disappearance of freedom of speech on our nation's college campuses. Our "We The Future" winners, students from all backgrounds and all political affiliations, were showcased in the film, talking about the necessity of unity and freedom of speech on campuses.

The film premiered in five cities across the country, thanks to your donation and the generosity of the Studio Movie Grill movie theatres.

"Let's not drown out opposing views but embrace them and listen to them and disagree with them with due passion and vigor...Let's live up to the vision of our founders." ~Greg Volynsky, Best High School Entrepreneurial Project 2016

George Washington Speaking Initiative

Public, private and homeschool organizations across the nation continue to seek Constituting America out to speak to their students about the U.S. Constitution and our country's founding principles. This year we spoke to more than **63 classes** on the Constitution to over **3,400 students** and adults in **seven different states** across America!

Janine has addressed students at schools ranging from the Torah Day School in Texas to Ford Elementary School in Georgia to Lantern Elementary School in Indiana.

New National Partnerships!

Thanks to your efforts and participation Constituting America's reputation and partnerships are growing on an exciting national level. This year we have successfully garnered partnerships with many renowned organizations such as:

- The Boy Scouts of America
- The National Constitutional Literacy Campaign (participating members include: Hillsdale College & the Kirby Center, Ashbrook Center at Ashland University, The National Constitution Center)

Promotion of Winning Works

Because of your generous support, our promotion of winners' works has reached all time highs!

Two of our winning songs, which we promoted with Grassroots Promotion, have been heard by over **21 million** station listeners across America!

Our student winning short films have been accepted into a record number of film festivals, and our Graduate School Winner Faith Liu was awarded **2nd Place at the Desert Rock Film Fest.**

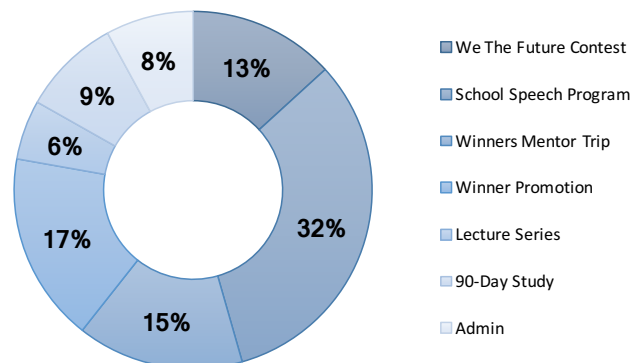

Our winning PSAs have been aired on over 200 stations and reached over 5 million people this year alone!

Our song winners were also asked to perform at the Tomball, TX July 4th Celebration, attended by 20,000 people!

"I am so excited that my winning PSA is being promoted to impact the Constitutional knowledge of youth across America. My PSA is being circulated to TV stations, being entered into film festivals and being promoted through social media. Your support has not only impacted me personally, but it has also helped create a wider impact to my generation that will expand their Constitutional knowledge. Thank you. You have truly impacted America through your support!" Grace Floring, Best PSA

Our Budget & How You Can Support

Our programs are growing like never before! In order to continue inspiring and educating America's rising generation, we need your support!

Annual 90-Day Study

Our annual study focused upon the Supreme Court and the landmark decisions which have shaped our nation. Our essays were written by 35 scholars from across America!

FROM CONSTITUTING AMERICA, **THANK YOU FOR YOUR SUPPORT!**
