

# SET UP A SKYPE SESSION WITH A MOVIE STAR / CONSTITUTIONALIST!

Are you looking for a fun way to get your students excited to learn about the U.S. Constitution?

Constituting America founder and co-chair, Actress Janine Turner (Northern Exposure, Cliffhanger, Friday Night Lights), joined by one or more of our "We The Future" student contest winners, will speak to your child's classroom via Skype or Google Hangout!

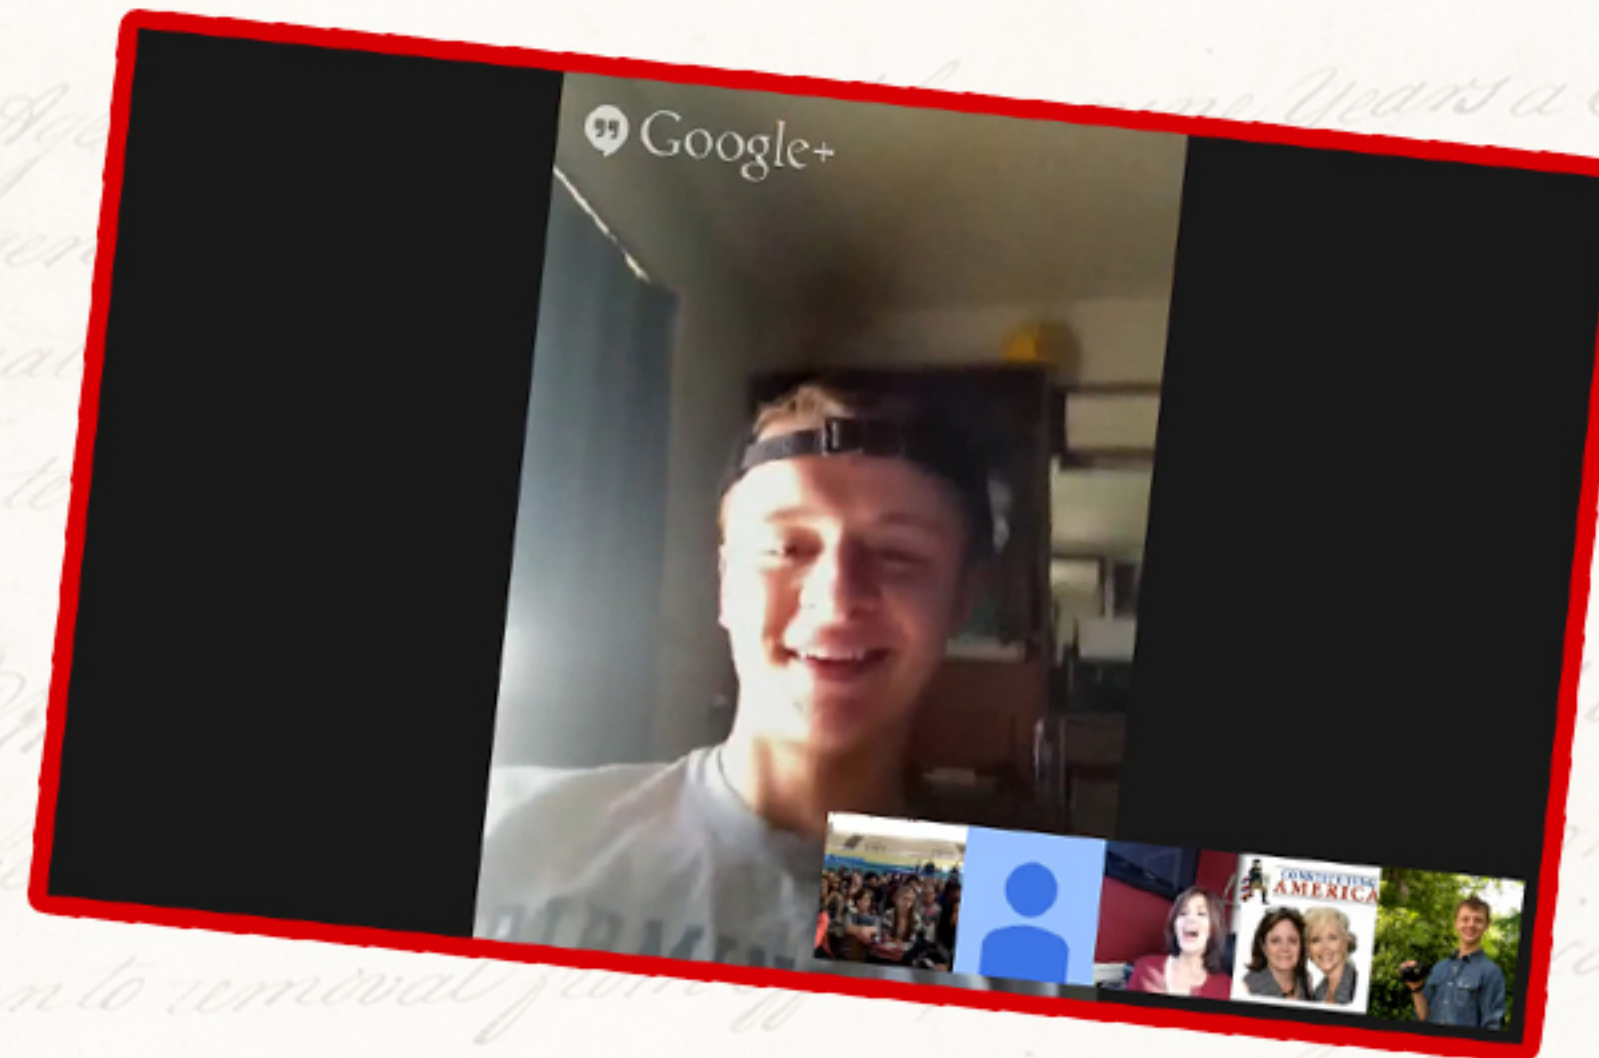

## HERE'S HOW IT WORKS:

Janine and our Contest Winners will provide an age appropriate conversation about the Constitution for any educational department. **Drama classes, music classes, government and history classes, English classes and more are all welcome!** Our winners will show you how they used their songs, short films, public service announcements, artwork, poems, and speeches, to both promote the U.S. Constitution, and to win scholarships, trips around the country, cash prizes and more!

"Our students enjoyed a fun, unique learning experience during the Skype session with actress Janine Turner and Constituting America contest winner, Colton Hinderliter. We can't wait to do it again!"

— Kristi Sparks, Instructional Coach, Yucca Middle School, Clovis, NM

Our winners will speak with your students about how they went about creating their winning work, what the Constitution means to them, why knowing and understanding the Constitution is vital - in a non-partisan way - and the most important thing they learned through their participation with Constituting America. **This is also a unique opportunity for your students to speak with Janine about pursuing a career in Radio, Television, or Film the way young people learn best: peer to peer!**

**These internet sessions are tailored to your teaching schedule and classroom needs - we can work with speaking slots as short as 15 minutes or as long as 35 or 40 minutes and can cover specific topics upon request. These sessions are free learning opportunities for your students. There is no cost to your school!** Internet sessions are perfect for homeschool groups, scout troop meetings, Patriot Club meetings or anywhere else that young people are gathered who want to learn about the Constitution, and our exciting "We The Future" Contest!
