

What the Constitution Means to Me

Looking back through history,
It's really not a mystery,
How people wanting to be free
Built this land of liberty.

Our Founding Fathers didn't think twice,
For freedom's cause they paid the price.
Our Constitution fills with pride,
We the people are blessed inside.

Freedom is not really free,
Someone fought for you and me,
They gave their life and shed their tears,
So you and I don't live in fear.

Our Constitution shows the way,
It makes me grateful every day.
To be a part of a country so wonderful and free,
All because of liberty.

It's up to you, it's up to me,
To save this freedom, that is key.
It makes me thankful I can say,
I live free in the USA.
