

# Constituting America Year in Review : 2019

## Thanks to your Generous Support We are impacting the culture with the Constitution!

### Record number of 90 Day Study Essays and Essayists *February 2019*

We began the year with our 90 Day Study! This year's 90 Day Study was entitled **"Reserved To The States: Boundaries on Federal Government For The Flourishing of the American People,"** and focused on the Importance of the states within our federal system of government. We published over 121 essays from 57 nationally known constitutional scholars, historians and elected officials! These essays join our eight other 90 Day studies, for a total of 1,047 essays by 175 nationally known Constitutional scholars – archived and searchable on our website, shared over 125,000 times on social media!

### *September 2019* "We the Future" Contest Winners

Our outstanding contest winners representing 11 states received scholarships totaling \$28,540 – and many of these students also embarked on a fully funded trip to Washington, D.C. where they enjoyed exclusive tours of the Supreme Court, U.S. Capitol, the White House, the State Department and the Archives – and you made it happen!

*"Providing these experiences to people my age ensures that young people have a voice and are equipped with the tools to become advocates for the Constitution. Because of this trip, I know that I can successfully stand up for the Constitution and educate my peers."*  
*Tova Love Kaplan, Best PSA Winner*

### Constituting America Founder Featured

Constituting America Founder & Co-President Janine Turner was featured on *April 2019* TBN's Huckabee in April of this year, talking with Governor Huckabee about our "How To Have A Civil Civic Conversation," program for the schools. Governor Huckabee featured a clip from our Constituting America produced Civil Civic Conversation video! TBN is carried by more than 18,000 television and cable affiliates worldwide!

### Constitution Day at the Ballpark *September 2019*

Thanks to the generous sponsorship of Robert Zimmerman and other Constituting America donors, on Constitution Day 2019 we handed out over 15,000 United States Constitutions at the Houston Astros September 17 home game! We plan to expand to more ballparks in 2020!

### Film Festival Acceptances *September 2019*

Our student contest winners were accepted into 4 film festivals across the nation this year, taking our total film festival acceptances to 37!

## Winning Students Again Featured at U.S. Dept. of Education Constitution Day Event *September 2019*

We are so proud of our “We The Future” Contest Winners who performed for the second year in a row at the Department of Education’s Constitution Day program, live-streamed to schools and federal employees! Our contest winners appear throughout the 90 Minute program, and one of our student contest winners “signed” the entire program, for those who are hearing impaired. We also brought in over 200 public school students from Maryland, from Title 1 public schools to enjoy the program in person. They were thrilled with their field trip!

## Record Number of School Speeches!

**158!** *December 2019*

Our “George Washington – We Are All Americans” – School Speaking Program had its busiest year ever! **Demand from schools across the Nation for our Constitution Education and Civil Civic Conversation presentations is at an all-time high.** We broke our record of 90 School Presentations from last year, with a whopping 158 presentations in 2019! We were excited to count Mr. Terry Cherry, Immediate Past President of the National Council of Social Studies, as one of our regular on-the-ground speakers this past year. Despite the summer recess, Janine and our Constituting America speaker team continued to speak to a variety of students and teachers with presentations to summer campers and teacher training workshops. This year we added re-enactors from the American Historical Theatre: George Washington, Thomas Jefferson, Abigail Adams, Betsy Ross, Alexander Hamilton, and Benjamin Franklin to some of our presentations in the schools and reached over 1,600 students in three different schools in Northern Virginia with these talented actors, bringing history vividly to life for students.

*“Constituting America being at Carter High School was a welcome addition to our Social Studies program. It allowed our students to become both a Historian and Politician within the same conversation. I highly recommend Constituting America to every Civics teacher. Your students will thank you for it.” Shonda Boston, Carter High School, Dallas Independent, School District, Texas*

## Billboards! *January 2019*

We participated in Clear Channel’s non-profit program with six billboards featuring our “We The Future” Contest Winner, Dakare Chatman’s slogan “It’s An American Thing... So Know It!” and we are looking to expand our message in 2020 to more billboards nationwide.
